

REGISTRATION INSTRUCTIONS - FALL 2017

Registration enables a student to reserve a place in classes for which openings are available. This reservation means that the student is assured a place in his/her approved classes pending completion of payment or arrangements for payment of financial obligations with the Student Accounts Office. If such arrangements are not made by August 29, 2017, the student forfeits assurance of placement in the classes. **INSTRUCTIONS REGARDING MAKING PAYMENT WILL BE SENT TO YOU AT A LATER DATE.**

The registration schedule is based on credit hours earned, whether done in person or via the My.Olivet portal:

Registration priority is based on the number of credit hours completed. You will receive an email with the specific day and time you may begin registration. You must meet with your faculty advisor and be cleared for registration, and all holds must be resolved prior to registration.

- A. Register by following instructions available on the Registrar's page on "My Olivet" portal.
- Registration through "My Olivet" is only possible when students have no holds such as a Student Account (SA) or Health Office (HO) hold
 - Registration via "My Olivet" is only possible when your faculty advisor has "cleared" you electronically through "My Olivet".
 - **Registration is only possible when you have met the course prerequisites. If you wish to take the course without meeting the prerequisites, you must get instructor approval on an add/drop slip.**
 - Registration via "My Olivet" is only possible when there are no schedule conflicts. Make sure you do not schedule classes with overlapping times.
 - Registration via "My Olivet" is only possible when the student signs up for 18 hours or less.
 - Registration via "My Olivet" cannot be done for courses when the pass/fail option is desired.
 - Registration for independent study courses cannot be processed via "My Olivet". You must register for such courses in the Registrar's Office.
- B. Registration can still be done by taking your approved schedule to the Registrar's office. Follow these instructions.
1. Pick up a form at the Registrar's Office.
 2. With the assistance of your advisor, fill out the form completely.
 3. The completed form should be signed by the student and the advisor, and then taken to the Registrar's Office for registration.

C. Additional information regarding registration:

1. Juniors or Seniors may choose one course per semester on the basis of pass/fail grading. To do so, you must complete a pass/fail petition in the Registrar's Office. Refer to Chapter 6 in the Olivet Catalog under Pass/Fail for details.
2. Independent/Directed study courses must be approved IN ADVANCE. Forms are available in the Registrar's Office, and when completed should be taken to the Registrar's Office.
3. A normal load for the semester is 16 hours. Additional tuition expenses will be incurred for persons taking more than 18 hours. Prior approval of the ACADEMIC STANDARDS COMMITTEE is required for cases in which students wish to take more than 18 hours.
4. If approval to register is blocked by any office, there will be a HOLD notation on My.Olivet. Codes used to indicate a hold are as follows: **DS** – Dean of Students; **FA** – Financial Aid; **AD, TC, TH** – Registrar; **CH** – Chapel Director; **HO** – Health Office; **RG, SA, SB, CK, AH** – Student Accounts; **CD** – Collections Dept.; **PL** – Perkins Loan; **CS** - Career Services; **SE** - Student Employment. There may be other holds not listed above. **Receive clearance from the appropriate offices prior to registration.**
5. Change in Registration forms must be used to add a class beginning on August 29, 2017, at the Registrar's Office in Burke Administration building.

INSTRUCTIONS FOR APPLIED MUSIC/ENSEMBLE REGISTRATION

Applied Music Registration. To register for applied music courses for the first time, students must audition in the music department and then register accordingly. Students continuing in applied music instruction should use the search feature to find the appropriate applied lesson, in consultation with their advisor and/or instructor. The courses for private instruction are as follows: 109 - for non-majors or secondary applied. 111 - for lower division major credit. 311 - for upper division major credit.

All students taking 111 or 311 are required to take MUAP 050, 060, or 070 concurrently with the private lessons.

Registration for ensembles is permitted for students continuing in the same group. Otherwise registration will follow auditions for specific ensembles.

COURSE NUMBERING SYSTEM

The number of the course designates the level or classification a student must have to take the course. Some courses have prerequisites which must be completed before enrolling in those courses.

- 000 - Not available for degree credit
- 100 - Introductory or basic Freshman level courses
- 200 - Sophomores & qualified Freshmen
- 300 - Juniors and qualified Sophomores
- 400 - Seniors and qualified Juniors
- 500 - Graduates, qualified Seniors
- 600 - Graduates only
- 800 - Graduates only

ABBREVIATIONS USED IN CLASS SCHEDULE

Days of the Week

- M - Monday
- T - Tuesday
- W - Wednesday
- R - Thursday
- F - Friday
- S - Saturday

Traditional Undergraduate University Calendar 2017-2018

Fall Semester, 2017

August 26	Orientation for Freshman/Transfer
August 28-29	Registration Days
August 30	Wednesday, 7:00 a.m., classes begin
September 17-20	Fall Revival
September 22	Final Day to drop Block I courses
October 9-10	Fall Break
October 25	Mid-Semester (Block II courses begin)
October 27-29	Homecoming
November 10	Final day to drop semester-length courses
November 17	Final day to drop Block II courses
November 22-26	Thanksgiving Holiday
November 27	Classes Resume at 7:00 a.m.
December 13-15	Final Examinations

Spring Semester, 2018

January 8	Registration Day/New Student Orientation
January 9	Tuesday, 7:30 a.m. classes begin
January 28-31	Winter Revival
February 1	Final Day to drop Block III courses
February 9	Winter Break
March 3-11	Spring Break
March 12	Block IV begins
March 29	Final Day to drop semester-length courses
April 6	Final Day to drop Block IV courses
March 30 - April 2	Easter Break
April 2	Monday only courses will meet
April 30 - May 3	Final Examinations
May 4	Friday, Baccalaureate Service
May 5	Saturday, 9:30 a.m. Commencement

Placement in Mathematics is based on student performance on the ACT Mathematics subtest, the SAT Mathematics subtest, or on an institutionally-developed placement test. Students are only allowed to register for mathematics classes if appropriate placement scores are satisfied.

Be sure to follow the placement guidelines noted in the General Education requirements.

For questions regarding the Institutional Placement exam, or to schedule an exam, please contact the Math Department at 815-928-5811 or Dr. Hathaway at hathaway@olivet.edu.

The placement exam is also given during Freshman orientations in the summer.

EXAMINATION SCHEDULE, December 2017

Day of Examination	Class Period	Time of Exam
Wednesday, December 13	9:00 MWF, M-F	8:00 – 9:50 AM
	11:00 MWF, M-F	10:30 – 12:20 PM
	1:00 MWF, M-F	1:00 – 2:50 PM
	3:00 MWF	3:30 – 5:20 PM
	5:00/6:00/6:30 M/MR	5:30 – 7:20 PM
Thursday, December 14	7:30/8:00/8:30 TR	8:00 – 9:50 AM

	6:00/6:30 MWF, M-F	6:00 – 7:50 PM
Thursday May 3	8:00/8:30 TR	8:00 – 9:50 AM
	1:30 TR	1:00 – 2:50 PM
	4:30 TR	4:00 – 5:50 PM
	6:00/6:30 TR/R	6:00 – 7:50 PM

Exams for classes with a laboratory will be scheduled according to the lecture period. In cases where a class meets in such a way as to have two possible times, always use the earlier time. Exam times for classes not on this list will be determined by the professor. All transportation plans should be made accordingly. Students will not be granted special permission to take exams at times other than those listed in the schedule.

General Education Requirements: Bachelor's Degrees

Group 1. Christian Living

An educated person committed to a life of stewardship and service should be acquainted with both cognitive and affective dimensions of Christianity. This component reflects the missional commitment of the University to engagement with the Christian Faith, specifically in the context of the Church of the Nazarene. This four-course sequence is designed to integrate comprehensively the formative task of theological education for Christian living; that is, matters of spiritual formation, biblical understanding, theological understanding, life application and Christian ethics will be integrated across the progression in a level-appropriate development. The goal is to facilitate the most effective and conducive context for the development of young adults to emerge from this progression with a deeper love for Christ, the Bible, and the Church than when they began. The aim is to engage and equip our students to live vital Christian lives and serve as effective ministry leaders, influencing their world for the Kingdom.

THEO 101 - Christian Formation	3
* BLIT 202 - Christian Scriptures I	3
** BLIT 303 - Christian Scriptures II	3
*** THEO 404 - Christian Faith	3
Total	12

Group 2. Communication

An educated person committed to a life of stewardship and service should be able to think, write, and speak clearly and effectively. Writing, speaking, reading, and listening skills are basic to effective communication. Reading provides a range of viewpoints and in-depth information. Careful listening to authors and speakers prevents miscommunication. Writing and speaking are the primary channels of expression. The quality of communication is connected to thinking because writing and speaking patterns parallel individual thinking processes. Therefore, the educated person must have developed the analytical and synthetical skills of critical thinking. Teachers become role models and create settings where students have to reflect on their own thought processes. This critical thinking is best taught if connected to specific writing and speaking formats.

ENGL 109 - College Writing I	3
**** ENGL 208/209/210 - College Writing II	3
COMM 105 - Fundamentals of Communication	3
Total	9

Placement in English will be based on English ACT score:

Enhanced ACT English score	English placement
16 and up	ENGL 109
1-15	*****GNST 093

Group 3. Cultural Understanding

An educated person committed to a life of stewardship and service should be exposed to various aspects of cultural understanding as well as an understanding of diverse cultures. It is no longer possible to conduct our lives without reference to the diverse world within which we live. A crucial difference between the educated and the uneducated person is the extent to which one's life experience is viewed in wider contexts. The curriculum may include options for exposure to various cultures in terms of language, geography, history, sociology, psychology, political science, economics, art, music, literature, and religion. Moreover, a non-Western culture should be part of the cultural experience.

Foreign language skills are important for those working in a global community. International students on campus, a variety of courses, and overseas experiences by faculty and some students all are a part of education for cultural understanding. The interrelatedness of living in a global community necessitates exposure to diverse cultures.

FINA 101 – Introduction to Fine Arts	3
HIST 200 – Western Civilization	3
LIT 205 – Studies in Literature	3
One course selected from	3
ECON 110 – Principles of Economics	
PSCI 101 – Introduction to Political Science	
PSCI 223 – American Government	
PSYC 101 – Introduction to Psychology	
SOCY 120 – Introduction to Sociology	
International Culture, to be met by one of the following	0-8
Completion of a two-semester sequence of foreign language study.	
Required for all Bachelor of Arts degrees.	
Intensive foreign language through participation in one of the study abroad programs sponsored by Council for Christian Colleges and Universities.	
Waiver of language requirement for students who have successfully passed four years of the same foreign language in high school.	
Completion of a foreign travel study course that has been approved by the General Education Committee and the ONU faculty for this requirement	

Completion of two international culture courses selected from the following,
with at least one course chosen outside the department of the student's major.

ART 375 – History of Non-Western Art	MLAN 104 - Chinese Language and Culture
CMIN 306 – Cross-Cultural Ministry	MLAN 105 - Italian Language and Culture
COMM 349 – Intercultural Communication	MULT 301 - World Musics
ECON 308 – Comparative Economic Systems	NURS 340 - Transcultural Family Nursing
EDUC 333 – Multicultural Classroom	PHIL 325 - World Religions
FACS 335 – The World Food Problem	PHIL 444 - Islamic Studies
GEOL 340 – Global Natural Resources	PSYC 323 - Human Diversity
HIST 379 – The Developing World	SOCY 280 - Ethnic Relations
LIT 240 – World Literature	SOCY 366 - Global Issues
LIT 307 – Literature of Non-Western Cultures	SOCY 368 - Cultural Anthropology
LIT 315 – Multiethnic Literature	SPAN 110 - Spanish for Specific Professions
MLAN 102 - Arabic Language and Culture	SSCI 302 - World Regional Geography

Completion of a foreign travel study course that has been approved by the General
Education Committee and the ONU faculty for this requirement

Total 12-20

Group 4. Natural Sciences and Mathematics

An educated person committed to a life of stewardship and service should possess foundational knowledge in the physical and life sciences, understand the basic methodology of science, and be able to critically evaluate scientific issues. Students should possess a general competency in mathematics including the ability to recognize the legitimate interpretation and application of numerical and scientific data. The larger purpose is to help students improve their scientific literacy, defined as the capacity to follow new scientific and technological developments in intelligent lay terms.

MATH 103 — Math for Liberal Arts or higher level math course	3-4 *****
PHSC 102 — General Physical Science or any physical science laboratory course from the areas of Chemistry, Geology, or Physics	3-5
BIOL 201 — General Biological Science or any other biological science laboratory course.	3-4
Total	9-13

Placement in Mathematics will be based on ACT Math score:

ACT Math score	Math placement
19–36:	MATH 103 or higher math course
14–18:	*****GNST 095 or passing equivalent math placement exam
1–13:	*****Basic Algebra course or passing equivalent math placement exam

Group 5. Personal Health

An educated person committed to a life of stewardship and service should develop a lifestyle that promotes personal health. Personal health encompasses those attitudes and practices that improve one's physical and mental well-being. Students should be guided in the acquisition of lifelong habits relating to good nutrition, physical exercise, and the management of stress. Furthermore, students should learn interpersonal skills that serve to promote the health of others, including family and community as well as the world at large.

PHED 190 – Wellness or FACS 126 – Nutrition, Health, and Fitness	2-3
PHED 191 – Applied Fitness	1
<i>ROTC and varsity athletes are not required to take PHED 191.</i>	
Total	2-4

Grand Total..... 44–58 hours

NOTES:

- * BLIT 250 and BLIT 305 substitute for BLIT 202 for all majors in the School of Theology and Christian Ministry.
- ** BLIT 310 substitutes for BLIT 303 for all majors in the School of Theology and Christian Ministry.
- *** THEO 310 and THEO 320 substitute for THEO 404 for all majors in the School of Theology and Christian Ministry.
- **** A student may not enroll in ENGL 208/209/210 until having passed ENGL109 with a grade of "C-" or above. Each department specifies the College Writing II course to be taken by its majors. Students with an ACT Composite of 30 or higher are exempt from ENGL 109.
- ***** Courses numbered below 100 do not count toward degree requirements.
- ***** MATH 111 does not meet the mathematics requirement unless MATH 112 is also satisfactorily completed.

General Expenses

The following is an itemized estimate of the cost of a semester in the 2017-2018 school year:

1. General Fee \$495.00
(Required for all students enrolled for seven hours or more. This covers student activities, facilities, student services, and student government.)

2. Tuition Charges for 12-18 Hours \$16,975.00
(For a student taking a full load of 18 hours, this is equivalent to a tuition charge of \$944.00 per hour. For more than 18 hours, the charge is \$944.00 per additional hour. For students taking a part-time load of less than 12 hours in a given semester, the tuition charge is \$1,415.00 per hour.)

Applied Music Tuition Additional

Private (piano, voice, organ, and instruments for one 30 minute lesson per week per semester)	\$220.00
Class (piano, voice, and instruments per course)	\$80.00

3. Room and Board (14 meals per week) average cost \$3,950.00

Total Tuition, Fees, Room and Board (semester) \$21,420.00

Total Tuition, Fees, Room and Board for a School Year (two semesters) \$42,840.00

Special Fees (Amounts charged for fees may be subject to change)

Background Check	\$50.00
Credit Per Hour Resulting from Audit, Proficiency and Petitioned Credit	\$50.00
ID Card Replacement Charge	\$20.00
International Student Insurance (per semester, Subject to Change)	est. \$675.00
Key Replacement	\$30.00
Late Health Forms (required by Illinois State Law)	\$25.00
Late Registration (one day late)	\$20.00
Second Day and After, Per-Day Additional	\$5.00
Lockers, Per Semester	\$5.00
Returned Check Fee	\$20.00
Student Teaching Fee	\$300.00
Tests and Examinations ACT and proficiency per Test:	\$35.00
Tuition Deposit	\$200.00

Registration

All students eligible to register (students enrolled in the preceding regular session and new or re-entering students who have completed application and have been accepted) will be supplied by the Registrar with directions for registration. Students are advised by members of the faculty and must file properly approved study lists with the Registrar's Office. Registrations not completed by the close of the listed registration days (see calendar) will require a fee of \$20.00 to cover the additional expenses of late registration procedure. An additional late fee of \$5.00 per day will be charged beginning the second day after registration day.

A student will not be permitted to register for any course including directed study and special topics after the first two weeks of the semester without the written approval of the Academic Dean. A faculty member may determine an earlier closing date for a particular course.

No student will be permitted to register for any course if, in the judgment of the instructor in charge, he lacks sufficient preparation to undertake the work. An instructor may, with the approval of the Academic Dean, drop from a class any student who shows marked delinquency in attendance, who neglects his work, or who proves incompetent to pursue the work of the course.

The normal student load is sixteen hours of class work in a week. No student will be permitted to register for more than eighteen hours, inclusive of physical education, without the special permission of the Committee on Academic Standards. An extra charge is made for each hour or fraction of an hour taken in excess of the eighteen-hour maximum load.

Change of Registration

All changes in registration become official when made through the registrar's office, with approval by the student's advisor and the faculty members whose classes are involved. A course may be dropped without grade or notation on the transcript when official changes are processed during the first two calendar weeks of a semester. After that, a grade of "W" will be assigned when courses are dropped prior to the deadlines, which are published in the University calendar. Permission to drop individual courses after the published deadlines will normally be granted by the Vice President for Academic Affairs only because of extended illness, serious physical disability, death in the family or other emergency circumstances. Permission to withdraw from individual courses after the deadlines will not be granted merely because of unsatisfactory academic performance, whether caused by the student's inability, lack of application or preparation; dissatisfaction with the subject matter offered in the course(s); failure to attend class; or a change in the student's major or academic plans. A grade of "WP"- withdrawn passing or "WF"- withdrawn failing- will be assigned by the Vice President for Academic Affairs in cases where official drops are approved after the published deadlines. Unofficial withdrawal from courses will be treated as failure and indicated on the permanent record by a grade of "F."

Appeals to the Academic Standards Committee may be initiated through the Registrar's Office.

Cancellation of Registration – A student's registration for a semester may be cancelled for failure to meet financial obligations to the University. Normally, cancellation would only occur during the first two weeks of a semester, and record of enrollment would not appear on the student's permanent academic record.

Withdrawal from the University

A student who desires to officially withdraw from all courses in a given semester must do so before the beginning of final examinations. Once final examinations have begun, a student may not withdraw from that semester unless documented emergency or medical reasons merit an exception being approved by the Vice President for Academic Affairs.

To officially withdraw from all courses for which a student is registered, the student must begin the process by contacting the Center for Student Success. This withdrawal process is necessary in order to clear the appropriate financial and academic records. Protracted absences or failure to attend classes does not constitute withdrawal from courses and will be treated as failure unless the withdrawal process is appropriately followed. See Chapter 5 on Financial Information for policies on refunds of tuition and fees when official withdrawal from the University is processed.

Administrative withdrawals may be initiated when a student fails to obey University policies, fails to comply with procedures, or has been suspended or expelled from the institution. The grading and refund policies which apply to voluntary withdrawals also apply to administrative withdrawals.

Withdrawals and Course Drops

If a student officially withdraws from school or drops below 12 credit hours, the following financial adjustments will apply:

1. Refunds on tuition, general fees and certain other special fees as follows:
 - Week one – 100%,
 - Week two – 90%,
 - Week three – 75%,
 - Week four – 50%,
 - Week five – 25%.No refund of tuition or fees after week five of the semester.
2. Room & Board: Pro-rata adjustment/refund on the unused portion as of the end of the week in which the student moves from campus for the first 14 weeks of the semester.

The effective date of any withdrawal or course drop will be the date such withdrawal or drop is officially requested. The official withdrawal date is the date established by the student with the Center for Student Success or the Director of Registration Services. The official course drop date is the date the drop form is returned to the Registrar. Please refer also to Chapter 6 on Academic Regulations: Change of Registration, Withdrawal from School, and Class Attendance Requirements.

Adjustments are computed as of the end of the week in which the student makes official withdrawal. Protracted absence from class does not constitute a withdrawal, and will be treated as a failure.

When a student withdraws (or is withdrawn) from school prior to the end of semester, a prorated amount of the student's Institutional scholarships and grants will be withdrawn from the student's account. Additionally, Title IV federal and state financial aid will be repaid to the appropriate program(s) as mandated by regulations published by the U.S. Secretary of Education.

Policy on Repeating Courses:

1. In case a course is retaken subsequent to the student's receiving a course grade of F, only the last grade is counted in determining the cumulative grade point average.
2. With the consent of the Chairman of the department in which the course is offered, a student is permitted to retake once a course in which a grade of C-, D+, D, or D- was earned, with the higher of the two grades to count in determining the cumulative grade point average.

These privileges apply only to courses repeated at Olivet.

Pass-Fail (S or U) is used for student teaching, field experiences and certain other courses. In these courses the alphabetical system of grading is never used.

In addition, an individual student who has attained Junior Standing may also be permitted to enroll in one elective course per semester in the last four semesters on the basis of pass-fail grading. Specifically excluded from this provision are courses in the major field, minor field, required supporting courses, and courses offered to fulfill general education requirements. A passing grade means "C" quality or better.

The intention to take a course on the basis of pass-fail grading must be indicated at the Office of the Registrar on or before the final day to drop a course. If this request is approved, a student may change back to the alphabetical system of grading only by filing a written request to do so at the Office of the Registrar prior to the final day to drop a course.

Auditing a course: To audit a course means to take it for neither grade nor credit. An audit, satisfactorily completed, is recorded as such on the transcript. No record is made if the audit is not satisfactorily completed.

Normally the only requirements in an audited course are attendance requirements, which are set by the instructor.

Audit should be indicated at the time of registration, or a course may be changed from credit to audit any time prior to the deadline for dropping a course. A course may be changed from audit to credit prior to this deadline only with the approval of the instructor, and payment of appropriate tuition adjustments.

A full-time student, paying the normal tuition fee, is not charged a tuition fee for an audited course, provided the total load, including the audited course, does not exceed 18 hours. If the total load exceeds 18 hours, a tuition fee of \$50 per hour is charged for the excess hours which are audited. Part-time students are charged a tuition fee of \$50 per hour for an audited course. Any additional fees (such as laboratory fee) in an audited course are charged to the student.

Arrangements to audit a course may be completed only if there is space available in the class.

Music: Auditors of applied music private lessons will receive one half-hour lesson per week. Audit lessons will be made up on the same basis as lessons being taken for credit. Audit students will be placed only after music majors, music minors and others who are registered for credit have been placed. All audit students will pay the normal additional applied music tuition for private lessons and class instruction as listed in the Catalog chapter on finances.

Independent studies/special topics: Students classified as juniors or seniors may pursue a subject of particular interest that is not already treated extensively in a regular course. In order to receive credit for such an independent study, the student must submit appropriate documentation of the plan of the study to the Registrar's Office. The directed study form should provide a thorough description of the project or coursework to be undertaken, including an indication of papers, assignments, test dates, conferences and projected completion date. The proposal must be approved by the professor who will provide supervision and evaluation of the project, the head of the department in which credit is to be established and the Registrar. Credit for such special topics will be indicated on the transcript by use of the department name and the number 499.

Independent studies are generally limited to students who have demonstrated above average scholarship (3.0 or higher gpa). Independent studies may occasionally be recommended for students who are unable to take regular courses because of scheduling conflicts. Forms for registration are available in the Registrar's Office.

Satisfactory Scholastic Standing: To be considered in satisfactory scholastic standing, students must maintain a minimum cumulative grade point average according to the following schedule:

Cumulative Hours Attempted	Minimum Cumulative GPA
1-18	1.5
19-29	1.7
30-45	1.8
46-59	1.9
60 or more	2.0

Students who fall below the above minimum standards are not making satisfactory progress and will be placed on academic probation.

In addition, students may be considered to be on academic probation for failure to attain a 1.000 grade point average in any given semester, or for failure to pass at least 50 percent of the credits registered at the end of the initial drop/add period (second week of the semester).

Only students in satisfactory scholastic standing may participate in Associated Student Council offices, class presidencies, intercollegiate athletics, drama, public relations groups, or off-campus spiritual life groups, or tour off-campus with music ensembles. This policy does not apply to intramural activities.

If after one semester on probation the cumulative grade point average is not improved, or after two successive semesters on probation the grade point average does not meet minimum standards for satisfactory progress (as outlined above), or at any time it falls below a 1.0 average, a student may be academically suspended by the Vice President for Academic Affairs. In addition, a student placed on probation for failure to meet the 1.000 semester grade point requirement or 50 percent progress requirement may be suspended if significant progress is not made during the probationary semester. In such a case the student has the right to appeal to the Committee on Academic Standards for a review of such a decision.

Students on academic suspension are not eligible to apply for readmission until after the lapse of one regular semester. If readmitted, the student will be on academic probation, and if a grade point average of 2.00 is not attained for courses taken during the semester following, the student may be academically suspended for the second time.

For transfer students, academic standing in the first semester of attendance at Olivet is based on the cumulative grade point average at the previous institutions. After one semester of attendance at ONU, the academic standing of transfer students will be based on the grade point average for all coursework accepted toward a degree and included on the Olivet transcript.

Eligibility: A student on probation is also ineligible. Ineligibility means that the student cannot participate in any public event, program or service away from the campus as a member of any ensemble group, missions team, or extramural group. Ineligibility excludes a student from participation in any intercollegiate athletic contest. In order to be eligible for intercollegiate athletic competition, students must adhere to the standards adopted by the National Association of Intercollegiate Athletics (NAIA), including, but not limited to, the following:

1. Be enrolled in at least 12 semester hours at the time of participation. (Repeat courses should be cleared with the Registrar.)
2. Accumulate at least 24 hours of credit in the two terms of attendance immediately preceding the semester of participation. (Repeat courses previously passed cannot count toward the 24-hour rule.)
3. A second-term freshman must have earned at least nine hours of credit during the first semester.

In addition, student-athletes must remain in satisfactory scholastic standing as defined above.

Satisfactory Progress Requirements for Institutional Scholarships, Federal and/or State Funded Financial Aid Programs: In order to maintain eligibility for institutional scholarships, federal and/or state financial aid, a student must meet the satisfactory progress requirements established by Olivet Nazarene University in compliance with federal and/or state regulations, including the following:

1. A student must maintain a cumulative grade point average according to the following schedule:

<u>Cumulative Hours Attempted</u>	<u>GPA Required</u>
1-18	1.5
19-29	1.7
30-45	1.8
46-59	1.9
60 or more	2.0

2. Students must satisfactorily complete 67 percent of the cumulative hours attempted, including repeated courses; developmental/remedial credits; and/or courses that were recorded as W - Withdrawn.

Financial Aid Warning: A student will be placed on financial aid warning for failing to meet any of the above standards of progress. A student placed on financial aid warning may continue to receive institutional scholarships, federal and/or state aid during the following semester.

Financial Aid Suspension: Financial aid suspension will result in the loss of all institutional scholarships, state, and/or federal financial aid. A student's financial aid will be suspended when any of the following occur:

1. When a student on financial aid warning the previous semester fails to meet the satisfactory progress requirements the following semester.
2. When having attempted 64 or more semester hours (including CLEP, Advance Placement, or proficiency credits; transfer credits; repeated courses; developmental/remedial credits; and/or courses that were recorded as W - Withdrawn), the cumulative grade point average falls below 2.00.
3. When a student has attempted 192 semester hours (including CLEP, Advance Placement, or proficiency credits; transfer credits; repeated courses; developmental/remedial credits; and/or courses that were recorded as W - Withdrawn)

Appeals: In the event that extenuating circumstances are experienced, appeals for exceptions to the above requirements will be considered by the Financial Aid Committee. Such appeals must be submitted in writing to the Financial Aid committee no later than the first day of classes of the semester. If exceptions are granted by the Financial Aid committee, the student is put on financial aid probation for that semester and must meet all progress requirements upon completion of the probationary semester in order to continue receiving aid.

Transfer Students and Financial Aid: For transfer students, academic standing in the first semester of attendance at Olivet is based on the cumulative grade point average at the previous institutions. After one semester of attendance at ONU, the academic standing and satisfactory progress for financial aid of transfer students will be based on the grade point average for all coursework accepted toward a degree and included on the Olivet transcript.

Student Insurance Coverage

Individual needs for insurance coverage are so varied that Olivet Nazarene University does not carry any personal health, accident or property insurance for students. It is the responsibility of each student to provide their own personal insurance for medical, accident, property and vehicles. In many instances, benefits of family medical and homeowners' insurance policies extend to cover students while enrolled in college.

Students should check their own insurance agents or companies to be certain of coverage. Students must have a health and accident insurance program in effect while enrolled as a student at Olivet. Vehicles used for student transportation must be fully covered by liability and property damage insurance at all times.

MISCELLANEOUS INFORMATION:

The University publishes special bulletins about semester course offerings, time of classes, faculty, and other matters, prior to each term or semester. The University reserves the right to determine the number of students in each class or section. If an insufficient number of students enroll for a course, the University reserves the right to cancel the course, to change the time, or to provide a different teacher of any course in a given semester's class schedule. The University reserves the right to drop a major or minor field for lack of sufficient enrollment of students to guarantee a class size of ten or more in upper division classes.

Candidates for graduation are expected to meet the requirements for graduation of the catalog in force at the time of entry. Students may also elect to follow a later catalog for all degree requirements. If a student leaves the institution for two or more consecutive semesters (six or more calendar months for non-traditional students) they will be required to follow the catalog in force at the time of reentry.

For all academic programs, the University reserves the right to change degree or program requirements as it deems necessary. In cases of hardship caused by curricular changes, an appeal may be made to the Academic Standards Committee.

Olivet Nazarene University is in compliance with the **Family Educational Rights and Privacy Act** which is designed to protect the privacy of educational records. Details about the policy and procedures are available at the Office of the Registrar.

Olivet Nazarene University policy prohibits discrimination on the basis of race, sex, age, color, creed, national origin or ethnic origin, marital status, or disability in the recruitment and admission of students, and in the operation of all college programs, activities and services. Any concerns regarding discrimination on the basis of any of the foregoing protected categories should be addressed to Mr. David Pickering, the University's equal employment opportunity coordinator, in the Personnel Office, Miller Business Center, (815) 939-5240.
