STORYLINES

Regain their footing

After stubbing their toe for the first time this season the 3-1 Tigers are looking to rebound with a win today against arguably their toughest opponent yet. The No. 9 ranked Marian University (Ind.) Knights are in Bourbonnais for only the third time in the history of the two programs. This is only the fifth meeting and first since 2012, and would be the first win in the series for ONU if they knock off the top-10 ranked Knights. After losses last season the Tigers were 3-3 and won the first game of the season this year after falling in the final game of 2016.

Not since 1998 has a Tiger team started 3-1 after four games; that same season ONU went 4-1. However, the highest ranked team ONU has played in over a year is on the schedule. The Tigers lost to No. 4 St. Francis (IN) on Sept. 3, 2016. Olivet is currently 1-0 against ranked teams so far in 2017, defeating No. 20 Kansas Wesleyan in week one. Since the 2011 season the Tigers are 2-14 against teams ranked in the top 25 of their respective divisions.

Tripped up

After starting the 2017 season 3-0, the Tigers fell at home in week four to a tough Concordia-Ann Arbor team 38-16. In the loss the Tigers failed to score 20 or more points for the first time all season and gave up 30 or more to their first opponent in 2017. The Cardinal defense also did something that no other team had been able to do, force more than one turnover against the Tigers. Today's opponent is No. 9 Marian (Ind.), who has already lost a game this season, falling in its season opener for the first time since 2014.

GAME FOCUS

The second-ranked offense in the MSFA ran by Marian will be at Ward Field today to take on the sixth-best defense. The Knights have averaged nearly 500 yards (493.5) per game this season while the Tigers only allow teams to gain 355.0 per contest. In Marian's only win this year they tallied 542 yards compared to 445 in their loss to No. 24 St. Xavier. In ONU's three wins this year they only allowed 322.3 yards, and in their loss to CUAA they gave up 453 yards.

Today's game features two of the best receivers in the MSFA. ONU's Rashaan Gaymon represents the MSFA Midwest with 23 catches for 341 yards and five touchdowns and Johnny William of the MSFA Mideast, who has 11 receptions for 202 yards and four scores. Gaymon is fifth and William is sixth in the MSFA in catches per game and William is fourth and Gaymon is sixth in yards per game.

Among MSFA leaders, two of the top teams in time of possession take the field. ONU averages 32:14 minutes (third-best) compared to 32:06 minutes per game for Marian (fourth-best). Also, the Tigers are the second-least penalized time in the league (49.0 yards per game) compared to the Knights who are penalized with 89.5 yards per game (last in MSFA).

PLAYERS TO WATCH

RB Erik Anderson (SR)

One of only two seniors to start on the offensive side of the ball is running-back Erik Anderson. Anderson leads the Tigers in rushing attempts (69), yards (257), yards per game (64.2) and has scored one touchdown this season. He also has 10 catches for 53 yards and one touchdown. He is currently 10th in the MSFA in yards per game and leads the league in carries. Anderson is on pace to surpass his season total from last season by over 250 yards and he is only 27 rushes away from his career-high. He currently has 1,149 career rushing yards and nine touchdowns.

LB Caleb Coe (JR)

The current MSFA Midwest Defensive Player of the Week is coming off a season-high 19-tackle performance against Concordia-Ann Arbor on Saturday. Coe leads the ONU defense with 40 tackles (20 solo, 20 assists). He also has three tackles for loss (five yards), two pass break-ups and one quarterback hurry. Coe is second in the MSFA and 14th in the NAIA in tackles per game (10.0). In each of the first four games this season, Coe has bettered his previous games total in tackles. He had four in game one, then seven, 10 in game three and 19 on Saturday.

QB Luke Johnston (SO)

The Knights playcaller was named MSFA Mideast League Second Team Offense as freshman. Now in his sophomore season he is having another fine season. Johnston has thrown for 469 yards (32-for-53), good for 234.5 yards per game (fifth in the MSFA). He has thrown for five touchdowns and has a passer efficiency of 165.8 (third-best in the MSFA). Johnston has ran the ball 11 times and has scored once on the ground. In the Knights' win over No. 13 Robert Morris-Illinois two weeks ago, Johnston completed 18 passes for 290 yards and had four touchdowns.

DL Mac Dutra (SO)

On Saturday, Sept. 9 when Marian defeated No. 13 Robert Morris-Illinois, Mac Dutra did a great job of disrupting the Eagle backfield. He finished the day with four tackles, two and a half tackles for loss (16 yards) and had two sacks (11 yards). He also tallied three quarterback hurries. Dutra is currently third on the team in tackles with nine and leads the team with three for loss (18 yards) and has two sacks.
